Why am I getting a message to install Flash in Chrome when launching QuestionPoint chat?

Last updated: Wed, 23 Jan 2019 17:46:29 GMT

Symptom

- Staff members are being prompted to install Flash in Chrome when launching QuestionPoint chat.

Applies to

- QuestionPoint

Resolution

Flash is integrated with Chrome. To allow QuestionPoint chat to use Chrome, updating the Content Settings in Chrome is required.

1. Open Settings in Chrome.
2. Scroll down and select Advanced.
3. Select Content Settings and then Flash.
4. Make sure Ask First is enabled.

Additional information

Please note, if user settings cannot be saved in Chrome, users will need to allow QuestionPoint to use Flash each time chat is launched.
