Answer

CAMIO was discontinued as of December 2018, though statistics can still be found in the [OCLC Usage Statistic](https://help.oclc.org/Discovery_and_Reference/WorldCat_Discovery/Troubleshooting/Where_can_I_find_my_CAMIO_statistics) portal. To log in, you will need your authorization number and password. Once logged in go to Digital Collections> Multimedia Report 1(R4) : Number of Successful Multimedia Full Content Unit Requests by Month and Collection.
