OCLC offers a variety of recorded training and videos for SCS and GreenGlass.

Training questions? Please visit OCLC Training FAQ.

**View recording:** Register shared print retention commitments (19 minutes)

The OCLC shared print registration option streamlines the process of registering shared print group retention commitments. This recorded training covers the steps to register your shared print retention commitments.

**Videos**

Find a collection of short videos that outline the basics in GreenGlass, available group features, individual library features and preparing for a GreenGlass project.
