How can I set up ILL access from FirstSearch?

Last updated: Mon, 22 Oct 2018 15:08:26 GMT

Applies to

• FirstSearch

Answer

The following solution can be found in Help for the FirstSearch administrative module, or in Customize Interlibrary Loan for patrons.

Log in to the FirstSearch administrative module and click the Resource Sharing tab. Then, in the left-hand panel, under Patron ILL Settings, click ILL Processing. The ILL Processing screen displays.
