A Printbook displays as an Online record, how can I resolve this problem?

Last updated: Fri, 16 Nov 2018 09:31:00 GMT

Applies to

- WorldShare Record Manager
- WorldCat Discovery

Answer

The format of a publication is based on the presence of fields and indicators that are used.

In most cases when a publication is displayed as an Online record, indicator 2 of field 856 is filled incorrectly. In case of an print book this should be 1, 2 or 8.

Additional information

For more information about the different formats and the criteria of fields and indicators, see Format/Document Type values and codes.
