Our holdings are attached to a record, but they do not display that way in Discovery search results.

Last updated: Wed, 28 Nov 2018 15:39:37 GMT

Applies to

- WorldCat Discovery

Answer

The title may need to be re-indexed. Please contact OCLC Support. The support team will need to know your institution's OCLC symbol, and the OCLC number for the title.

Additional information

How to set holdings on titles using WorldShare Record Manager.
