My Bookeye scanner upgraded and now it is needs a password, where do I get that information

Last updated: Mon, 31 Dec 2018 17:20:23 GMT

Symptom

Bookeye scanner had an update and now the Authorization or Password information needs to be updated.

Applies to

ILLiad

Resolution

You can get this information from your ILLiad Customization Manager.

1. Search for the OCLCILLAuthorization, and the Key Value you see is the Authorization.

2. Search for the OCLCILLPassword and the Key Value you see is the Password.

3. You will need to update your settings in the Bookeye scanner.
