When I try to login into WorldShare, I get an error that the page is not working

Last updated: Thu, 27 Dec 2018 17:54:03 GMT

Symptom

• When trying to get to the login page for WorldShare, an error message stating "This page isn't working" is displayed

Applies to

• WorldShare

Resolution

When encountering this error, please contact OCLC Support and include the following when possible:

1. The URL you are using to log into WorldShare.
2. A full-page screenshot of the error message.
3. Information regarding whether the error occurs in multiple browsers.
