How do I fix it when I am not seeing all the fields in the Notes section of a request in ILLiad?

Last updated: Mon, 25 Feb 2019 15:25:10 GMT

Symptom

- When you look at a request in ILLiad and looking at the Notes section, you are missing the notes field.

Applies to

- ILLiad

Resolution

Somehow, the columns displayed has been changed. You can resolve this by doing the following:

1. Right-clicking on one of the headers you see such as "Date."
2. Click on "Restore Default Layout."

You should see all the fields again.
