How do we turn off all ILL lending requests?

Last updated: Tue, 17 Mar 2020 12:17:35 GMT

Applies to

• WorldShare Interlibrary Loan
• Tipasa

Answer

You will need to change your OCLC Supplier status from Yes to No. This is done in the Policies Directory under the Profile tab.

1. Go to illpolicies.oclc.org
2. Sign in using your ILL policies authorization and password
3. The page that opens will be the Profile tab, look for "Supplier Status" and make the change

Additional Information

If you do not know your ILL authorization number or password, please contact OCLC Support.
