I see a holding in WorldCat for another library that I think is wrong, can I delete it?

Symptom

- You see a holding for another library in WorldCat that you believe is incorrect.

Applies to

- WorldCat.org
- WorldCat Discovery
- WorldCat Local
- Connexion
- Record Manager

Resolution

No, the library with the holding is the only library one that is allowed to delete their holding. Contact the library with the OCN of the title you believe has a bad holding and ask them to delete it. If there are no holdings on the WorldCat record, you can delete the bibliographic record.
