How to report errors in records, when logged in to a Cataloging service.

---

**Symptom**

- Reporting issues with records when in a record

**Applies to**

- Connexion client
- Connexion browser

**Resolution**

You can report errors in Connexion a few ways. Under **Action** when you are in the record, go to **Report Error**, this will email bibchange@oclc.org.

You can also go to **Help, Contact Support** and that email will be sent to OCLC Support.
