Why do some databases appear twice in the Merged COUNTER Database Usage Summary report?

Last updated: Mon, 29 Apr 2019 21:15:51 GMT

 Applies to

- WorldShare Analytics
- WorldShare License Manager

Answer

The database names in this report depend upon the data being sent by the vendor. If the same database appears more than once in the report, there is often a small difference in the titles. (i.e. extra spaces, commas, etc.)
