How long are ILLiad Transactions kept on the OCLC hosted site?

Symptom

• You want to know if the transactions are automatically deleted over time or if it is a process you have to do on your own

Applies to

• ILLiad

Resolution

On the ILLiad Hosted sites, Transactions are kept in the system until one of the following situations:

1. You go to the ILLiad Database Manager and remove the Transactions.
2. You contact OCLC Support and ask us to remove transactions.

Additional information

On Self-hosted sites, you would have to check with your Library for how it has this set up for your site.
