The OCLC Number for this title is in the grouped OCLC numbers for this item in WorldCat knowledge base, why aren't our library holdings on it?

Last updated: Thu, 07 Oct 2021 01:05:58 GMT

Applies to

• WorldShare Collection Manager

Answer

Make sure that the OCLC number is listed as the Override OCLC Numbers in the title. If it is in the Grouped OCLC Numbers, links will be populated, but the holdings will not be set unless the OCLC number is in the Override OCLC Number field.

Additional information

For more information see Title-level settings in knowledge base collections.
