I am manually entering a print book into a Knowledge Base collection, but there is no format to select for print book.

Last updated: Fri, 12 Jul 2019 15:01:24 GMT

Symptom

• When manually entering a print book into a Knowledge Base collection, I am given a template that does not have the format type for print book.

Applies to

• WorldShare Collection Manager

Resolution

Please choose e-Book from the format selection menu. This will allow you to enter in an ISBN.
