NRE/VDX remembers all searches run during a session – the Search History is saved until you log out of NRE/VDX.

Click the History option from the top menu bar.

A list of searches run since you logged in will be displayed.

[Edit] [Re-run]

You searched for *(Title Equal Phrase "black" AND Title Equal Phrase "holes")* in Anoka PL, St Paul PL, Melvyl, Mid Hudson, SUNY New Paltz, Franklin D Roosevelt Library, Univer of Toronto, TUG, Concordia Univ, Bishop Univ, TRAC, Edmonton PL, INF

[Edit] [Re-run]

You can modify or refine a previous search by clicking **Edit**. This will present the Advanced Search screen where you can add, edit or delete existing search terms or select different collections to search.

Click **Re-run** to repeat the search without changing either your selection of collections or search terms.

The search history is available throughout your NRE/VDX session. Once you log out, the history of previous sessions is no longer available to you.
