Why did a large number of my overdue items fall off the Overdue Items Aging Report?

Last updated: Fri, 13 Aug 2021 18:51:41 GMT

Symptom

• You run the Overdue Items Aging Report on two different days and get very different amount of data on each day.

Applies to

• WMS Analytics
• WMS Reports

Resolution

If you find a large number change in this report please contact OCLC Support with your OCLC Symbol, the dates of the reports, and some sample lines that are missing.
