When I am printing ILLiad Lending requests, I am getting previous requests I printed

Last updated: Mon, 26 Aug 2019 14:01:35 GMT

Symptom

- You are printing requests by adding them to a print queue, and when you are printing you do not only see your current requests but previous requests

Applies to

- ILLiad

Resolution

Before printing new requests, you need to Clear the Print queue. Information on Batch Printing can be found in the Batch Printing documentation.
