How do I make changes to an existing OCLC Request in ILLiad?

Last updated: Tue, 10 Sep 2019 21:17:27 GMT

Symptom

• You sent out a request in ILLiad and you need to make a change in the request

Applies to

• ILLiad

Resolution

Here are the options for updating an OCLC Request

1. In ILLiad, you follow the instructions for Making Changes to an Existing OCLC Request.
2. If you are unable to update the request fields you want in ILLiad, you will need to use WorldShare ILL interface to update the request. More information is found in the Create and edit Requests help page.
