What does the bulk LHR edit error "Not Updated - Missing Summary" mean?

Last updated: Tue, 05 Nov 2019 20:03:35 GMT

Symptom

- You got the error Not Updated - Missing Summary when running a bulk LHR edit, but you don't know what it is in order to resolve it.

Applies to

- Record Manager

Resolution

The "Not Updated - Missing Summary" error means that you did not include LHR Summary Statement information in your bulk info request.

Additional information

There is more information on the [bulk LHR edit](https://help.oclc.org/Metadata_Services/WorldShare_Record_Manager/Troubleshooting/What_does_the_bulk_LH) process.
