Where can I see a list of my collections that are set up for automatic holdings updates?

Last updated: Fri, 13 Aug 2021 18:08:24 GMT

Applies to

• WorldShare Collection Manager

Answer

To find a list of the data sources for your collections that are set up for automatic holdings updates, go to **Institution Settings > Knowledge Base Data > Selected Data Sources Only**. The list shows the vendor who provides the data to OCLC.

Additional information

For additional information, please see [Data Sources](https://help.oclc.org/Metadata_Services/WorldShare_Collection_Manager/Troubleshooting/Where_can_i_see_a_li...).
