Tipasa patron data files

Last updated: Tue, 07 Nov 2017 20:37:10 GMT

Patron data can be migrated from your library's existing patron records to Tipasa. The tools and resources in this section provide guidance for migrating your patron data.

For more information and details about migrating patron data, see [Patron data files](https://help.oclc.org/Resource_Sharing/Tipasa/Patron_management/Tipasa_patron_data_files).
