Troubleshooting

Find frequently asked questions (FAQ) and troubleshooting steps (Troubleshooting).

◦ A new staff member’s account is slow and not performing as others do?
◦ A patron is unable to request an online reservation
◦ A user’s account barcode, transaction history and items on loan has disappeared
◦ A user does not have full cataloging options despite having an appropriate user category
◦ Can deleted titles/users be recovered?
◦ Does OLIB support RDA Cataloguing rules?
◦ Do I need to cancel email notices in my test system? [Hosted OLIB]
◦ Following an upgrade to OLIB 9.0 Service Pack 12, users are not receiving alerts for available reservations or newly checked in serial issues
◦ How can I add a new attribute to the Refine Search dialog?
◦ How can I add our own images to WebView’s Welcome Page?
◦ How can I attach an email list to a SDI alert?
◦ How can I filter borrower traps by trap message?
◦ How do I change my name in OLIB Web?
◦ How do I configure Self-registration?
◦ How do I delete a user with enquiries attached?
◦ How do I display User Expiry Date in the user details screen of OLIB Folio?
◦ How do I export MARC records to OVID?
◦ How do I find out my OLIB username/password?
◦ How do I insert line breaks in the privacy policy hover text without it being in double line spacing?
◦ How do I renew all items on loan to a group of users with minimum checks?
◦ How do I search for serial issue titles?
◦ How do I set up a System Administrator account on OLIB if the current System Administrator has left?
◦ How do I subscribe to the OLIB users’ mailing list?
◦ How do I transfer a report from my Test system to Live?
◦ How do I unlock a user record? [Hosted OLIB]
◦ How do I view all items with a specific copy category?
◦ How to sign in to OLIB
◦ I’m creating a configurable user import. What OLSFT tag should I use to map the User’s Date of Birth?
◦ If you delete expired users using the “Users For Auto-Deletion” folder, will the copies on loan for that user also be deleted? And if it was the last copy of the title, will the title also be deleted?
◦ I am no longer able to attach files to my item records
◦ I am unable to return a book after cancelling a reservation
I cannot find the configurable privacy policy statements - where are these located?

◦ I have added a new attribute to the keyword search index however it is not being used in a keyword search
◦ I have deleted a sheet by accident
◦ I have just tried to log in to OLIB WebView and received an account expired error message
◦ I have made changes to my MARC format. How do I apply this change to my existing records?
◦ My OLIB export to CONTENTdm is not working
◦ My XML export is not displaying correctly
◦ Setting default sorting for indexes
◦ Some of our student record files have not imported into OLIB
◦ Staff accounts are unable to see Helpdesk Online links
◦ The Username and Password fields are populating with my login credentials when I try to create a new user
◦ What is the taxonomy that is used in OLIB?
◦ When I issue a loan I get the message 'User is banned from this copy category.'
◦ Where can I find the latest version of the OLIB schema? [SP13+]
◦ Why am I receiving several emails per hour for my reports?
◦ Why are patrons not receiving their overdue emails?
◦ Why are some changes made to title records not visible in the audit trail?
